1. Introduction

1.1 Background / Foreword

1.1.1 NHS England has set out the following as the four core purposes of ICSs:

- a) improve outcomes in population health and healthcare
- b) tackle inequalities in outcomes, experience and access
- c) enhance productivity and value for money
- d) help the NHS support broader social and economic development

1.1.2 The ICB will use its resources and powers to achieve demonstrable progress on these aims, collaborating to tackle complex challenges, including:

- improving the health of children and young people
- supporting people to stay well and independent
- acting sooner to help those with preventable conditions
- supporting those with long-term conditions or mental health issues
- caring for those with multiple needs as populations age
- getting the best from collective resources so people get care as quickly as possible

1.2 Name

1.2.1 The name of this Integrated Care Board is NHS Staffordshire and Stoke-on-Trent Integrated Care Board ('the ICB').

1.4 Statutory Framework

1.4.1 The ICB is established by order made by NHS England under powers in the 2006 Act.

1.4.2 The ICB is a Statutory Body with the general function of arranging for the provision of services for the purposes of the health service in England and is an NHS Body for the purposes of the 2006 Act.

1.4.3 The main powers and duties of the ICB to commission certain health services are set out in sections 3 and 3A of the 2006 Act. These provisions are supplemented by other statutory powers and duties that apply to ICBs, as well as by regulations and directions (including, but not limited to, those made under the 2006 Act).

- 1.4.4 In accordance with section 14Z25(5) of, and paragraph 1 of Schedule 1B to, the 2006 Act, the ICB must have a Constitution, which must comply with the requirements set out in that Schedule. The ICB is required to publish its Constitution (section 14Z29). This Constitution is published at [[add web address](#)].
- 1.4.5 The ICB must act in a way that is consistent with its statutory functions, both powers and duties. Many of these statutory functions are set out in the 2006 Act but there are also other specific pieces of legislation that apply to ICBs. Examples include, but are not limited to, the Equality Act 2010 and the Children Acts. Some of the statutory functions that apply to ICBs take the form of general statutory duties, which the ICB must comply with when exercising its functions. These duties include but are not limited to:
- a) having regard to and acting in a way that promotes the NHS Constitution (section 2 of the Health Act 2009 and section 14Z32 of the 2006 Act)
 - b) exercising its functions effectively, efficiently and economically (section 14Z33 of the 2006 Act)

 - f) information law (for instance, data protection laws, such as the UK General Data Protection Regulation 2016/679 and Data Protection Act 2018, and the Freedom of Information Act 2000)
 - g) provisions of the Civil Contingencies Act 2004
- 1.4.6 The ICB is subject to an annual assessment of its performance by NHS England, which is also required to publish a report containing a summary of the results of its assessment.
- 1.4.7 The performance assessment will assess how well the ICB has discharged its functions during that year and will, in particular, include an assessment of how well it has discharged its duties under:
- a) section 14Z34 (improvement in quality of services)
 - b) section 14Z35 (reducing inequalities)
 - c) section 14Z38 (obtaining appropriate advice)
 - d) section 14Z40 (duty in respect of research)
 - e) section 14Z43 (duty to have regard to effect of decisions)
 - f) section 14Z44 (public involvement and consultation)
 - g) sections 223GB to 223N (financial duties)
 - h) section 116B(1) of the Local Government and Public Involvement in Health Act 2007 (duty to have regard to assessments and strategies)
- 1.4.8 NHS England has powers to obtain information from the ICB (section 14Z60 of the 2006 Act) and to intervene where it is satisfied that the ICB is failing, or has

failed, to discharge any of its functions or that there is a significant risk that it will fail to do so (section 14Z61).

1.5 Status of this Constitution

- 1.5.1 The ICB was established on 1st July 2022 The Integrated Care Boards (Establishment) Order 2022', which made provision for its Constitution by reference to this document.
- 1.5.2 This Constitution must be reviewed and maintained in line with any agreements with, and requirements of, NHS England set out in writing at establishment.
- 1.5.3 Changes to this Constitution will not be implemented until, and are only effective from, the date of approval by NHS England.

1.6 Variation of this Constitution

- 1.6.1 In accordance with paragraph 15 of Schedule 1B to the 2006 Act, this Constitution may be varied in accordance with the procedure set out in this paragraph. The Constitution can only be varied in two circumstances:
 - a) where the ICB applies to NHS England in accordance with NHS England's published procedure and that application is approved
 - b) where NHS England varies the Constitution of its own initiative (other than on application by the ICB).
- 1.6.2 The procedure for proposal and agreement of variations to the Constitution is as follows:
 - a) proposals may be made in writing to the ICB Governance Lead from the following:

This decision can only be taken once those named in 1.6.2(a) have been consulted on the proposed change (the persons ICB considers it appropriate to consult).

- b) proposed amendments to this Constitution will not be implemented until an application to NHS England for variation has been approved.

- a) ICB decision-making must be geared towards meeting the statutory duties at all times, including the 'Triple Aim' – any individual involved in decisions relating to ICB functions must be acting clearly in the interests of the ICB / the public, rather than furthering direct or indirect financial, personal, professional or organisational interests
- b) Partner Members will be expected to act in accordance with the first principle, and it should not be assumed that they are personally or professionally conflicted just by virtue of being an employee, director, partner or otherwise holding a position with one of the nominating organisations
- c) the personal and professional interests of all Board / committee members and ICB staff who are involved in decision-taking need to be declared, recorded and managed appropriately; contributing to a culture of transparency about how decisions are made
- d) declarations must be made promptly and be clear and specific about the nature of any interest that may arise regarding a particular decision
- e) actions to mitigate conflicts will be proportionate and seek to preserve the spirit of collective decision-making wherever possible – mitigation will take account of a range of factors, including the impact that the perception of an unsound decision might have, and the risks / benefits of having a particular individual involved in making the decision
- f) we will clearly distinguish between those individuals who should be involved in formal decision-taking and those whose input informs decisions, including shaping the ICB's understanding of how best to meet patients' needs and deliver care for our population
- g) the way conflicts are managed will reflect this distinction: e.g. where independent providers (including VCSE sector) hold contracts for services, it would be appropriate and reasonable to involve them in discussions about pathway design / service delivery, particularly at Place; however this will clearly be distinct from any considerations around contracting and commissioning from which they would be excluded
- h) where decisions are being taken as part of a formal competitive procurement of services, any individual who is associated with an organisation that has a vested interest in the procurement should recuse themselves from the process

6.3 Declaring and Registering Interests

6.3.1 The ICB maintains registers of the interests of:

- a) Members of the ICB
- b) Members of the Board's committees and sub-committees
- c) its employees

6.3.2 In accordance with section 14Z30(2) of the 2006 Act, registers of interest are published on the ICB website [\[add where\]](#).

- 6.3.3 All relevant persons as per 6.1.3 and 6.1.5 must declare any conflict or potential conflict of interest relating to decisions to be made in the exercise of the ICB's commissioning functions.
- 6.3.4 Declarations should be made as soon as reasonably practicable after the person becomes aware of the conflict or potential conflict and in any event within 28 days. This could include interests an individual is pursuing. Interests will also be declared on appointment and during relevant discussion in meetings.
- 6.3.5 All declarations will be entered in the registers as per 6.3.1.
- 6.3.6 The ICB will ensure that, as a matter of course, declarations of interest are made and confirmed, or updated at least annually.
- 6.3.7 Interests (including gifts and hospitality) of decision-making staff will remain on the public register for a minimum of six months. In addition, the ICB will retain a record of historical interests and offers/receipt of gifts and hospitality for a minimum of six years after the date on which it expired. The ICB's published register of interests states that historical interests are retained by the ICB for the specified timeframe and details who to contact to submit a request for this information.
- 6.3.8 Activities funded in whole or in part by third parties who may have an interest in ICB business such as sponsored events, posts and research will be managed in accordance with the ICB policy to ensure transparency and that any potential for conflicts of interest are well-managed.

6.4 Standards of Business Conduct

- 6.4.1 Board members, employees, committee and sub-committee members of the ICB will at all times comply with this Constitution and be aware of their responsibilities as outlined in it. They should:

This requirement will be written into their contract for services and is also outlined in the ICB's Standards of Business Conduct Policy.

7. Arrangements for ensuring Accountability and Transparency

7.1.1 The ICB will demonstrate its accountability to local people, stakeholders and NHS England in a number of ways, including by upholding the requirement for transparency in accordance with paragraph 11(2) of Schedule 1B to the 2006 Act.

7.2 Principles

- Health and Wellbeing are everyone's business – engagement needs to be inclusive and accessible to all
- Put the public voice at the heart of decision-making
- Don't make assumptions – ask how best to engage
- Recognise the different needs of the population, especially those who could be excluded
- Do it once and do it well – shared intelligence between partners
- Allow enough time to engage properly, adapting the approach where necessary
- Be honest, open and transparent – authentic involvement
- Clear communication that can be understood by all – be clear on what you are asking and consider your audience
- Commit to feedback – explain what impact engagement has made in simple terms
- Build on what is already there – utilise existing knowledge, relationships, experience and local assets / channels, including the community and voluntary sector

7.3 Meetings and Publications

7.3.1 Board meetings, and committees composed entirely of Board members or that include all Board members, will be held in public except where a resolution is agreed to exclude the public on the grounds that it is believed not to be in the public interest.

7.3.2 Papers and minutes of all meetings held in public will be published.

7.3.3 Annual accounts will be externally audited and published.

7.3.4 A clear complaints process will be published.

7.3.5 The ICB will comply with the Freedom of Information Act 2000 and with the Information Commissioner's Office requirements regarding the publication of information relating to the ICB.

7.3.6 Information will be provided to NHS England as required.

7.3.7 The Constitution and Governance Handbook will be published as well as other key documents including but not limited to:

- Conflicts of Interest Policy and procedures
- registers of interests
- key corporate / business policies and further, related documents as set out in Section 1.7.3d)

7.3.8 The ICB will publish, with its partner NHS Trusts and NHS Foundation Trusts, a plan at the start of each financial year that sets out how the ICB proposes to exercise its functions during the next five years. The plan will explain how the ICB proposes to discharge its duties under:

- sections 14Z34 to 14Z45 (general duties of ICBs), and
 - sections 223GB and 223N (financial duties), and
- a) proposed steps to implement Staffordshire and Stoke-on-Trent Joint Health and Wellbeing Strategies

7.4 Scrutiny and Decision-Making

7.4.1 At least three Non-Executive Members will be appointed to the Board, including the Chair; and all Board and committee members will comply with the Seven Principles of Public Life (the Nolan Principles) and meet the criteria described in the “Fit and Proper Person Test”.

7.4.2 Healthcare services will be arranged in a transparent way, and decisions around who provides services will be made in the best interests of patients, taxpayers and the population, in line with the rules set out in the NHS Provider Selection Regime.

7.4.3 The ICB will comply with the requirements of the NHS Provider Selection Regime, including complying with existing procurement rules until the provider selection regime comes into effect.

8. Arrangements for Determining the Terms and Conditions of Employees

- 8.1.1 The ICB may appoint employees, pay them remuneration and allowances as it determines, and appoint staff on such terms and conditions as it determines.
- 8.1.2 The Board has established a Remuneration Committee, which is chaired by a Non-Executive Member other than the Chair or Audit Chair.
- 8.1.3 The membership of the Remuneration Committee is determined by the Board. No employees may be a member of the Remuneration Committee, but the Board ensures that the Remuneration Committee has access to appropriate advice by:
- a) Local arrangements:
- only members have the right to attend meetings, but the Chair may invite relevant staff to the meeting as necessary in accordance with the business of the committee
 - meetings may also be attended by the following individuals who are not members; for all or part of a meeting as and when appropriate: such attendees will not be eligible to vote unless when making decisions on Independent Non-Executive Members' matters:
 - Chair (not to chair meetings nor determine matters pertaining to their conditions)
 - ICB's most senior HR Advisor or nominated deputy
 - Director of Finance or their nominated deputy
 - Chief Executive or their nominated deputy
 - this will avoid Non-Executive Members' remuneration being determined by the committee if membership is entirely Non-Executive Board members
 - the chair of the meeting may ask any or all of those who normally attend, but who are not members, to withdraw to facilitate open / frank discussion of particular matters
 - no individual should be present during any discussion relating to any aspect of their own pay; or any aspect of the pay of others when it has an impact on them
- 8.1.4 The Board may appoint independent members or advisers to the Remuneration Committee who are not members of the Board.
- 8.1.5 The main purpose of the Remuneration Committee is to exercise the functions of the ICB regarding remuneration included in paragraphs 18 to 20 of Schedule 1B to the 2006 Act. The Terms of Reference agreed by the Board are published in the Governance Handbook.
- 8.1.6 The duties of the Remuneration Committee include:
- a) Local points:
- set ICB pay policy (or equivalent) and standard terms and conditions

- make arrangements to pay employees such remuneration / allowances as it may determine
- set remuneration and allowances for members of the Board falling within its remit
- set any allowances for members of committees or sub-committees of the ICB who are not members of the Board
- any other relevant duties

8.1.7 The ICB may make arrangements for a person to be seconded to serve as a member of the ICB's staff.

9. Arrangements for Public Involvement

9.1.1 In line with section 14Z45(2) of the 2006 Act, the ICB has made arrangements to secure that individuals to whom services that are, or are to be, provided pursuant to arrangements made by the ICB in the exercise of its functions, and their carers and representatives, are involved (whether by being consulted or provided with information or in other ways) in:

- a) the planning of the commissioning arrangements by the ICB
- b) the development and consideration of proposals by the ICB for changes in the commissioning arrangements where the implementation of the proposals would have an impact on the manner in which the services are delivered to the individuals (at the point when the service is received by them), or the range of health services available to them
- c) decisions of the ICB affecting the operation of the commissioning arrangements where the implementation of the decisions would (if made) have such an impact.

9.1.2 In line with section 14Z54 of the 2006 Act, the ICB has made the following arrangements to consult its population on its System Plan:

- a) Local arrangements:
 - our communication, engagement and involvement systems and principles, as woven into the fabric of our *Working with People and Communities Strategy 2022-23* (available on the ICB website)
 - used as a 'golden thread' throughout all of our corporate governance structures, systems, processes and procedures and connected to this Constitution, by having:
 - a Community Champion at Board Level (Non-Executive Director)
 - our new 'People Assembly' and 'Virtual People's Panel'
 - our Place Networks, Neighbourhoods and Provider Collaboratives
 - engagement with the two existing Health & Wellbeing Boards
 - strong relationships with the ICP Board, Health & Care Senate, VCSE Alliance
 - strong relationships with both Local Authority Scrutiny Committees
 - system and community insight / feedback (including public consultation)

9.1.3 The ICB has adopted the 10 principles set out by NHS England for working with people and communities:

- a) put the voices of people and communities at the centre of decision-making and governance, at every level of the ICS
- b) start engagement early when developing plans, and feed back to people and communities how it has influenced activities and decisions
- c) understand your community's needs, experience and aspirations for health and care, using engagement to find out if change is having the desired effect
- d) build relationships with excluded groups – especially those affected by inequalities

- e) work with Healthwatch and the voluntary, community and social enterprise sector (VCSE) as key partners
- f) provide clear and accessible public information about vision, plans and progress to build understanding and trust
- g) use community development approaches that empower people and communities, making connections to social action
- h) use co-production, insight and engagement to achieve accountable health and care services
- i) co-produce and redesign services and tackle system priorities in partnership with people and communities
- j) learn from what works and build on the assets of all partners in the ICS – networks, relationships, activity in local places.

9.1.4 In addition, the ICB has agreed the following:

- the ICB will work with its partners across the ICS to develop arrangements for ensuring the ICS Partnership and Place-Based Partnerships have representation from local people and communities in priority setting and decision-making forums
- gathering intelligence about the experience and aspirations of people who use care and support, together with clear approaches to using these insights to inform decision making and quality governance

9.1.5 These principles will be used when developing and maintaining arrangements for engaging with people and communities.

9.1.6 These arrangements include:

- a) Local arrangements:
 - engagement arrangements at System or Place providing not just a mechanism for commentary on services, but as a source of genuine co-production and a key tool for supporting accountability and transparency of the system
 - where decision-making affects communities, groups or specific services, these arrangements (including any formal consultation) will fully engage those affected, including populations, patients and carers across Health and Social Care
 - engaging with communities will also happen through relational and strengths-based approaches, drawing on the experience of our Local Authorities, VCSE and other partners with experience and expertise in this regard
 - also by continuation of existing NHS Trust and NHS FT duties in relation to patient and public involvement, including the role of FT Governors

Appendix 2: Standing Orders

1. Introduction

- 1.1 These Standing Orders have been drawn up to regulate the proceedings of NHS Staffordshire and Stoke-on-Trent Integrated Care Board so that the ICB can fulfil its obligations as set out largely in the 2006 Act (as amended). They form part of the ICB's Constitution.

2. Amendment and Review

- 2.1 The Standing Orders are effective from the date of approval by NHS England.
- 2.2 Standing Orders will be reviewed on an annual basis or sooner if required.
- 2.3 Amendments to these Standing Orders will be made as per clause 1.6 of this Constitution.
- 2.4 All changes to these Standing Orders will require an application to NHS England for variation to the ICB Constitution and will not be implemented until the Constitution has been approved.

3. Interpretation, Application and Compliance

- 3.1 Except as otherwise provided, words and expressions used in these Standing Orders shall have the same meaning as those in the main body of the ICB Constitution and as per the definitions in Appendix 1.
- 3.2 These Standing Orders apply to all meetings of the Board, including its committees and sub-committees unless otherwise stated. All references to Board are inclusive of committees and sub-committees unless otherwise stated.
- 3.3 All members of the Board, members of committees and sub-committees and all employees, should be aware of the Standing Orders and comply with them. Failure to comply may be regarded as a disciplinary matter.
- 3.4 In the case of conflicting interpretation of the Standing Orders, the Chair, supported with advice from the ICB Governance Lead, will provide a settled view, which shall be final.
- 3.5 All members of the Board, its committees and sub-committees and all employees have a duty to disclose any non-compliance with these Standing Orders to the Chief Executive as soon as possible.
- 3.6 If, for any reason, these Standing Orders are not complied with, full details of the non-compliance and any justification for non-compliance and the circumstances around the non-compliance shall be reported to the next formal meeting of the Board for action or ratification and the Audit Committee for review.

4. Meetings of the Integrated Care Board

4.1 Calling Board Meetings

4.1.1 Meetings of the Board of the ICB shall be held at regular intervals at such times and places as the ICB may determine.

4.1.2 In normal circumstances, each member of the Board will be given not less than one month's notice in writing of any meeting to be held. However:

- a) the Chair may call a meeting at any time by giving not less than fourteen (14) calendar days' notice in writing
- b) one-half of the members of the Board may request the Chair to convene a meeting by notice in writing, specifying the matters which they wish to be considered at the meeting. If the Chair refuses, or fails, to call a meeting within seven (7) calendar days of such a request being presented, the Board members signing the requisition may call a meeting by giving not less than fourteen (14) calendar days' notice in writing to all members of the Board specifying the matters to be considered at the meeting
- c) in emergency situations the Chair may call a meeting with two (2) days' notice by setting out the reason for the urgency and the decision to be taken

4.1.3 A public notice of the time and place of meetings to be held in public and how to access the meeting shall be given by posting it at the offices of the ICB and electronically at least three clear days before the meeting or, if the meeting is convened at shorter notice, then at the time it is convened.

4.1.4 The agenda and papers for meetings to be held in public will be published electronically in advance of the meeting, excluding, if thought fit, any item likely to be addressed in part of a meeting that is not likely to be open to the public.

4.2 Chair of a Meeting

4.2.1 The Chair of the ICB shall preside over meetings of the Board.

4.2.2 If the Chair is absent, or is disqualified from participating by a Conflict of Interest, there may be a Deputy Chair appointed from among the assembled members to temporarily act as deputy during the conflicted item(s).

4.2.3 The Board shall appoint a Chair to all committees and sub-committees that it has established. The appointed committee or sub-committee Chair will preside over the relevant meeting. Terms of Reference for committees and sub-committees will specify arrangements for occasions when the appointed Chair is absent.

4.3 Agenda, Supporting Papers and Business to be transacted

4.3.1 The agenda for each meeting will be drawn up and agreed by the Chair of the meeting.

4.3.2 Except where the emergency provisions apply, supporting papers for all items must be submitted at least seven (7) calendar days before the meeting takes

place. The agenda and supporting papers will be circulated to all members of the board at least five (5) calendar days before the meeting.

- 4.3.3 Agendas and papers for meetings open to the public, including details about meeting dates, times and venues, will be published on the ICB's website at [\[insert link\]](#).

4.4 Petitions

- 4.4.1 Where a valid petition has been received by the ICB it shall be included as an item for the agenda of the next meeting of the Board in accordance with ICB policy as published in the Governance Handbook.

4.5 Nominated Deputies

- 4.5.1 With the permission of the person presiding over the meeting, the Executive Directors and the Partner Members of the Board may nominate a deputy to attend a meeting of the Board that they are unable to attend. The deputy may speak and vote on their behalf and count towards the quorum (including provisions made under section 3.3: removal from office).
- 4.5.2 A deputy could be nominated according to availability on the day of a meeting or according to agenda items under discussion; and would not necessarily have to be the same nominated deputy for the duration of the term of office of the Partner Member. Provided they meet the relevant criteria, and are appropriately experienced, fulfilling all requirements for the role and it has been confirmed with the ICB Chair in advance that they are not disqualified from attending. A deputy attending on behalf of a Partner Member should be at the same level or status as the Member they are deputising for.
- 4.5.3 Board Members must understand the legal accountabilities and liabilities associated with their role, which may not be delegated to a deputy. That means that the "can is carried" by the office holder, not the deputy. The nature of the Unitary Board means that there are potential implications for all Board Members when other members delegate to a deputy.
- 4.5.4 Therefore deputies must be named in writing in advance of the meeting to the ICB Chair. Within which, the deputy's eligibility / disqualification criteria should also be confirmed, to provide assurance to the ICB Chair that the nominated individual fulfils the requirements of the role and is not disqualified. Ad hoc deputy arrangements will not normally be permitted.
- 4.5.5 The decision of the person presiding over the meeting regarding authorisation of nominated deputies is final.

4.6 Virtual Attendance at Meetings

- 4.6.1 The Board of the ICB and its committees and sub-committees may meet virtually using telephone, video and other electronic means when necessary, unless the Terms of Reference prohibit this.
- 4.6.2 This is in light of Covid-19 learnings, to better permit when required ICB meetings functioning well by using technological solutions (phone / video) and still meeting

the requirement for a meeting to be held in public. Provision may be made for in extremis circumstances where whole meetings may take place online. The same minimum numbers as for making up a quorum should be physically present for these.

4.7 Quorum

4.7.1 The quorum for meetings of the Board will be as below, set at just over 50% of the quantum (nine out of seventeen members) with there being an equitable balance to represent that of a Unitary Board, split between proportions of Executive, Non-Executive and Partner Members, including:

- the Chief Executive plus one other Executive Director (from CFO, CTO, CDO)
- either the Medical Director (CMO) or the Director of Nursing & Therapies (CNTO)
- three Independent Members: i.e. Chair plus two Non-Executive Members
- three Partner Members: with ideally at least one from each of the three cohorts

4.7.2 For the sake of clarity:

- a) no person can act in more than one capacity when determining the quorum
- b) an individual who has been disqualified from participating in a discussion on any matter and/or from voting on any motion by reason of a declaration of a conflict of interest shall no longer count towards the quorum.

4.7.3 For all committees and sub-committees, the details of the quorum for these meetings and status of deputies are set out in the appropriate Terms of Reference.

4.8 Vacancies and Defects in Appointments

4.8.1 The validity of any act of the ICB is not affected by any vacancy among members or by any defect in the appointment of any member.

4.8.2 In the event of vacancy or defect in appointment the following temporary arrangement for quorum will apply:

- a) Local arrangements (proportions set to reflect those described in 4.7.1 above):
 - the Chief Executive and one other Director, or nominated deputies
 - at least two Independent Non-Executive Members, including the Chair
 - at least two Partner Members or nominated deputies

4.9 Decision-Making

4.9.1 The ICB has agreed to use a collective model of decision-making that seeks to find consensus between system partners and make decisions based on unanimity as the norm, including working through difficult issues where appropriate.

4.9.2 Generally it is expected that decisions of the ICB will be reached by consensus. Should this not be possible then a vote will be required. The process for voting, which should be considered a last resort, is set out below:

- a) all members of the Board present at a meeting will be eligible to cast one vote each
- b) in no circumstances may an absent member vote by proxy. (Absence is defined as being absent at the time of the vote, but this does not preclude anyone attending by teleconference or other virtual mechanism from participating in the meeting, including exercising their right to vote if eligible to do so)
- c) for the sake of clarity, any additional Participants and Observers (as detailed within paragraph 5.6. of the Constitution) will not have voting rights
- d) a resolution will be passed if more votes are cast for the resolution than against it
- e) if an equal number of votes are cast for and against a resolution, then the Chair (or in their absence, the person presiding over the meeting) will have a second and casting vote
- f) should a vote be taken, the outcome of the vote, and any dissenting views, must be recorded in the minutes of the meeting

Disputes

4.9.3 Where helpful, the Board may draw on third-party support to assist them in resolving any disputes, such as peer review or support from NHS England.

Urgent Decisions

4.9.4 In the case of urgent decisions and extraordinary circumstances, every attempt will be made for the Board to meet virtually. Where this is not possible the following will apply:

4.9.5 The powers that are reserved or delegated to the Board may for an urgent decision be exercised by the Chair and Chief Executive (or relevant Lead Director in the case of committees), subject to every effort having been made to consult with as many members as possible in the given circumstances.

4.9.6 The exercise of such powers shall be reported to the next formal meeting of the Board for formal ratification and the Audit Committee for oversight.

4.10 Minutes

4.10.1 The names and roles of all members present shall be recorded in the minutes of the meetings.

4.10.2 The minutes of a meeting shall be drawn up and submitted for agreement at the next meeting where they shall be signed by the person presiding at it.

4.10.3 No discussion shall take place upon the minutes except upon their accuracy or where the person presiding over the meeting considers discussion appropriate.

4.10.4 Where providing a record of a meeting held in public, the minutes shall be made available to the public.

4.11 Admission of the Public and Press

4.11.1 In accordance with Public Bodies (Admission to Meetings) Act 1960, all meetings of the Board and all meetings of committees that are comprised of entirely Board members or all Board members at which public functions are exercised will be open to the public. There is no expectation that Remuneration or Audit Committees need be held in public.

4.11.2 The Board may resolve to exclude the public from a meeting or part of a meeting where it would be prejudicial to the public interest by reason of the confidential nature of the business to be transacted or for other special reasons stated in the resolution and arising from the nature of that business or of the proceedings or for any other reason permitted by the Public Bodies (Admission to Meetings) Act 1960 as amended or succeeded from time to time.

4.11.3 The person presiding over the meeting shall give such directions as they think fit with regard to the arrangements for meetings and accommodation of the public and representatives of the press such as to ensure that the Board's business shall be conducted without interruption and disruption.

4.11.4 As permitted by Section 1(8) Public Bodies (Admissions to Meetings) Act 1960 (as amended from time to time), the public may be excluded from a meeting to suppress or prevent disorderly conduct or behaviour.

4.11.5 Matters to be dealt with by a meeting following the exclusion of representatives of the press and other members of the public shall be confidential to the members of the Board.

5. Suspension of Standing Orders

5.1 In exceptional circumstances, except where it would contravene any statutory provision or any direction made by the Secretary of State for Health and Social Care or NHS England, any part of the Standing Orders may be suspended by the Chair in discussion with at least two other members (and preferably one being the Independent Non-Executive Members acting as Audit Committee chair).

5.2 A decision to suspend the Standing Orders together with the reasons for doing so shall be recorded in the minutes of the meeting.

5.3 A separate record of matters discussed during the suspension shall be kept. These records shall be made available to the Audit Committee for review of the reasonableness of the decision to suspend the Standing Orders.

6. Use of Seal and Authorisation of Documents

6.1 The ICB is required to have or use a Seal for the following circumstances:

- land transfers, agreements made without consideration, mortgages and charges, certain leases, the appointment and discharge of trustees, gifts of

tangible goods, the release of certain rights (such as those under a debt), taking a bill of sale (used as part of lending arrangements where security is taking in the form of a bill of sale transferring items if the borrower falls into default) and powers of attorney

- any periodically-received multi-agency service agreements for which ICB is requested to apply a seal – while this could technically be done by signature, such parties may wish that it is executed as a deed in legal terms

6.2 Arrangements will be made for its safe keeping and authorisation of its use as follows:

a) Local arrangements

- the ICB will use a seal for executing those documents legally defined as necessary
- the following individuals or officers are authorised to authenticate its use to execute a document on behalf of the ICB by their signature:
 - the Chief Executive and Independent Chair
 - the Chief Finance Officer (Director of Finance)
 - Executive Directors, as authorised by financial thresholds set out separately within the Scheme of Financial Delegation (Standing Financial Instructions: SFIs)
