Standard Personal Medical Services (PMS) Agreement Variation Notice

Publishing approval number: PAR1811

Version number: 1.0

First published: xx July 2022

Prepared by Hill Dickinson on behalf of NHS England.

The text of the Standard Personal Medical Services (PMS) Agreement Variation Notice July 2022 has been prepared by Hill Dickinson on behalf of NHS England. It is prepared on the basis that the numbering adopted in the signed agreement follows that used in the Standard Personal Medical Services Agreement.

Equalities and health inequalities statement

"Promoting equality and addressing health inequalities are at the heart of NHS England's values. Throughout the development of the policies and processes cited in this document, we have:

- given due regard to the need to eliminate discrimination, harassment and victimisation, to advance equality of opportunity, and to foster good relations between people who share a relevant protected characteristic (as cited under the Equality Act 2010) and those who do not share it;
- given regard to the need to reduce inequalities between patients in access to, and outcomes from, healthcare services and in securing that services are provided in an integrated way where this might reduce health inequalities."

Dear Sir/Madam

**Notice of Variation to your Personal Medical Services Agreement dated
[]**

We give you notice under paragraph 52(2) of Schedule 2 to the National Health Service (Personal Medical Services Agreements) Regulations 2015 (S.I. 2015/1879) that the terms of your personal medical services agreement dated [] are varied as set out below with effect from [*insert here date on which variations will take effect. Where reasonably practicable this should not be less than 14 days after the date on which this notice is served. This is a regulatory requirement.*].

These variations are made to comply with:

- The National Health Service (General Medical Services Contracts and Personal Medical Services Agreements) (Amendment) Regulations 2022;
and
- The National Health Service (General Medical Services Contracts and Personal Medical Services Agreements) (Amendment) (No. 2) Regulations 2022;

which came into force since the last update to the Standard Personal Medical Services Agreement.

These variations also remove four definitions which are no longer used in the Standard Personal Medical Services Agreement following changes made previously to comply with the National Health Service (General Medical Services Contracts and Personal Medical Services Agreements) (Amendment) Regulations 2021.

For the avoidance of doubt nothing in this notice shall affect accrued rights or liabilities up to the date of the variation.

We request you to acknowledge receipt of this notice by signing and returning the enclosed duplicate of it.
