- 5.17.1 the employment or termination of employment of any person employed or engaged in the delivery of the relevant Services by the Provider and/or any Sub-Contractor before the expiry or termination of this Contract or of any Service which arise from the acts or omissions of the Provider and/or any Sub-Contractor;
  - 5.17.2 claims brought by any other person employed or engaged by the Provider and/or any Sub-Contractor who is found to or is alleged to transfer to any Commissioner or new provider under TUPE and/or COSOP; and/or

- 5.18.1 require that individual to disclose whether, within the period of twelve months ending with the proposed commencement of their employment or engagement with the Commissioner, the Provider or Sub-Contractor (as appropriate), they have received a contractual redundancy payment from an NHS Employer consequent on their redundancy from a post as a Very Senior Manager; and if so
- 5.18.2 require the individual to identify that NHS Employer;
- 5.18.3 require that individual to notify the NHS Employer of their conditional offer of employment or engagement with the Commissioner, the Provider or Sub-Contractor (as appropriate);
- 5.18.4 require that individual either (a) to make arrangements with that NHS Employer to pay to the NHS Employer the Redundancy Repayment (whether or not conditional on an appropriate restoration of reckonable service), or (b) to agree to the inclusion in their terms and conditions of employment or engagement with the Commissioner, the Provider or Sub-Contractor the provisions set out in GC5.18.6 below;
- 5.18.5 not make any unconditional offer of employment or engagement to the individual without first having received either (a) confirmation from the NHS Employer that binding arrangements are in place with the individual for payment to the NHS Employer of the Redundancy Repayment, or (b) confirmation from the individual of their agreement to the inclusion in their terms and conditions of employment or engagement with the Commissioner, the Provider or Sub-Contractor (as appropriate) of the provisions set out in GC5.18.6; and
- 5.18.6 unless it has received confirmation from the NHS Employer in accordance with GC5.18.5(a), include (and throughout the term of that individual's employment or engagement retain) in that individual's terms and conditions of employment or engagement (as appropriate) the following provisions:

*You have confirmed that you have, within the period of twelve months ending with the commencement of your employment or engagement under this agreement, received a contractual redundancy payment under section 16 of the NHS Terms and Conditions of Service Handbook from an NHS Employer, as defined in Annex 1 of the Handbook being [INSERT NAME OF NHS EMPLOYER] consequent on your redundancy from a post as a Very Senior Manager.*

*As a condition of your employment or engagement under this agreement: you acknowledge and agree that you will repay to that NHS Employer a sum being a proportion of that contractual redundancy payment (£R), calculated as follows:*

$$\text{£R} = (\text{S} \times (\text{A} - \text{B})) - (\text{C} + \text{D}),$$

*where:*

*S is the lesser of (a) the amount of a month's pay used to calculate your contractual redundancy payment, or (b) the amount of any maximum monthly sum for the purposes of that calculation applicable at the date of the redundancy, as determined by Agenda for Change;*

*A is the number of years used in the calculation of your contractual redundancy payment;*

*B is the number of complete calendar months between the date of termination of your employment by the NHS Employer and the date of commencement of your employment or engagement under this agreement;*

*C is the total statutory redundancy payment that you were entitled to receive on redundancy from that NHS Employer; and*

*D is the amount of any income tax deducted by that NHS Employer from the contractual redundancy payment,*

*But for the avoidance of doubt you will have no liability to repay any sum if B is greater than or equal to A*

*You consent to our deducting from your net monthly pay or remuneration each month a sum equal to no more than [X% - for agreement with the individual and the NHS Employer] of your net monthly pay or remuneration and that we will pay each sum deducted to that NHS Employer as an instalment of the repayment of the sum £R, until the sum £R has been fully repaid.*

*In this provision:*

- 5.20 A Commissioner must not, the Provider must not, and the Provider must ensure that any Sub-Contractor does not, enter into any arrangement with any individual the effect or intention of which is to circumvent the operation or intent of GC5.18 or 5.19.
- 5.21 If a Commissioner or the Provider fails to comply with its obligations under GC5.18, 5.19 or 5.20 in respect of any relevant individual, it must pay to the relevant NHS Employer the Redundancy Repayment or the proportion of it which the individual would otherwise have been required to repay.

## **GC7 Intentionally Omitted**

- 8.3 If any Dispute which has arisen during the Review Meeting is not shown in the Review Record or is not referred to Dispute Resolution within 10 Operational Days after signature of that Review Record it will be deemed withdrawn.
- 8.4 Notwithstanding GC8.1, if either the Co-ordinating Commissioner or the Provider:
- 8.4.1 reasonably considers that a circumstance constitutes an emergency or otherwise requires immediate resolution; or
  - 8.4.2 considers that a JI Report requires consideration sooner than the next scheduled Review Meeting,
- that Party may by notice require that a Review Meeting be held as soon as practicable and in any event within 5 Operational Days following that notice.

## **GC9 Contract Management**

- 9.1 The provisions of this GC9 do not affect any other rights and obligations the Parties may have under this Contract.
- 9.2 GC9.15, 9.19, 9.20, 9.21 and 9.23 will not apply if the Provider's failure to agree or comply with a Remedial Action Plan (as the case may be) is as a result of an act or omission or the unreasonableness of the Co-ordinating Commissioner or the relevant Commissioner.

### **Contract Performance Notice**

- 9.3 If the Co-ordinating Commissioner believes that the Provider has failed or is failing to comply with any obligation on its part under this Contract it may issue a Contract Performance Notice to the Provider.
- 9.4 If the Provider believes that any Commissioner has failed or is failing to comply with any obligation on its part under this Contract it may issue a Contract Performance Notice to the Co-ordinating Commissioner.

### **Contract Management Meeting**

- 9.5 Unless the Contract Performance Notice has been withdrawn, the Co-ordinating Commissioner and the Provider must meet to discuss the Contract Performance Notice and any related issues within 10 Operational Days following the date of the Contract Performance Notice.
- 9.6 At the Contract Management Meeting the Co-ordinating Commissioner and the Provider must agree either:

- 9.6.1 that the Contract Performance Notice is withdrawn; or
- 9.6.2 to implement an appropriate Immediate Action Plan and/or Remedial Action Plan.

If the Co-ordinating Commissioner and the Provider cannot agree on either course of action, they must undertake a Joint Investigation.

### **Joint Investigation**

- 9.7 If a Joint Investigation is to be undertaken:
- 9.7.1 the Co-ordinating Commissioner and the Provider must agree the terms of reference and timescale for the Joint Investigation (being no longer than 2 months) and the appropriate clinical and/or non-clinical representatives from each relevant Party to participate in the Joint Investigation; and
- 9.7.2 the Co-ordinating Commissioner and the Provider may agree an Immediate Action Plan to be implemented concurrently with the Joint Investigation.
- 9.8 On completion of a Joint Investigation, the Co-ordinating Commissioner and the Provider must produce and agree a JI Report. The JI Report must include a recommendation to be considered at the next Review Meeting that either:
- 9.8.1 the Contract Performance Notice be withdrawn; or
- 9.8.2 a Remedial Action Plan be agreed and implemented.
- 9.9 Either the Co-ordinating Commissioner or the Provider may require a Review Meeting to be held at short notice in accordance with GC8.4 to consider a JI Report.

### **Remedial Action Plan**

- 9.10 If a Remedial Action Plan is to be implemented, the Co-ordinating Commissioner and the Provider must agree the contents of the Remedial Action Plan within:
- 9.10.1 5 Operational Days following the Contract Management Meeting; or

9.10.2 5 Operational Days following the Review Meeting in the case of a Remedial Action Plan recommended under GC9.8,

as appropriate.

9.11 The Remedial Action Plan must set out:

9.11.1 actions required and which Party is responsible for completion of each action to remedy the failure in question and the date by which each action must be completed;

9.11.2 the improvements in outcomes and/or other key indicators required, the date by which each improvement must be achieved and for how long it must be maintained; and

9.11.3 any agreed reasonable and proportionate financial sanctions or other consequences for any Party for failing to complete any agreed action and/or to achieve and maintain any agreed improvement (any financial sanctions applying to the Provider not to exceed in aggregate 10% of the Expected Monthly Value or of the Actual Monthly Value in any month, as applicable, in respect of any Remedial Action Plan).

If a Remedial Action Plan is agreed during the final Contract Year, that Remedial Action Plan may specify a date by which an action is to be completed or an improvement is to be achieved or a period for which an improvement is to be maintained falling or extending after the Expiry Date, with a view to that Remedial Action Plan being incorporated in an SDIP under a subsequent contract between one or more of the Commissioners and the Provider for delivery of services the same or substantially the same as the Services.

9.12 The Provider and each relevant Commissioner must implement the actions and achieve and maintain the improvements applicable to it within the timescales set out in, and otherwise in accordance with, the Remedial Action Plan.

9.13 The Co-ordinating Commissioner and the Provider must record progress made or developments under the Remedial Action Plan in accordance with its terms. The Co-ordinating Commissioner and the Provider must review and consider that progress on an ongoing basis and in any event at the next Review Meeting.

### **Withholding Payment for Failure to Engage or Agree**

9.14 If:

9.14.1 either the Co-ordinating Commissioner or the Provider fails to attend a Contract Management Meeting within 20 Operational Days following the date of the Contract Performance Notice to which it relates; or

9.14.2 at a Contract Management Meeting the Co-ordinating Commissioner and the Provider fail to agree a course of action in accordance with GC9.6, and subsequently fail to agree within 20 Operational Days following the Contract Management Meeting the terms of reference and timescale for a Joint Investigation in accordance with GC9.7; or

9.14.3 on completion of a Joint Investigation, the Co-ordinating Commissioner and the Provider fail to agree a JI Report in accordance with GC9.8 before the next Review Meeting; or

9.14.4 it has been agreed that a Remedial Action Plan is to be implemented, but the Co-ordinating Commissioner and the Provider have not agreed a Remedial Action Plan within the relevant period specified in GC9.10,

then, unless the Contract Performance Notice has been withdrawn, they must immediately and jointly notify the Governing Body of both the Provider and the relevant Commissioners accordingly (and if one Party refuses to do so, the other may do so on behalf of both Parties).

- 9.15 If, 10 Operational Days after notifying the Governing Bodies, and due wholly or mainly to unreasonableness or failure to engage on the part of the Provider:
- 9.15.1 the Co-ordinating Commissioner and the Provider have still not both attended a Contract Management Meeting; or
  - 9.1.2 the Co-ordinating Commissioner and the Provider have still not agreed either a course of action or the terms of reference and timescale for a Joint Investigation; or
  - 9.15.3 the Co-ordinating Commissioner and the Provider have still not agreed a JI Report; or
  - 9.15.4 the Co-ordinating Commissioner and the Provider have still not agreed a Remedial Action Plan,

as the case may be, the Co-ordinating Commissioner may recommend the Commissioners to withhold, or itself withhold (on behalf of all Commissioners), a reasonable and proportionate sum up to 2% of the Expected Monthly Value or of the Actual Monthly Value, as applicable, for each further month that the particular failure to attend or agree, as referred to in GC9.15.1-9.15.4 continues.

- 9.16 The Commissioners or the Co-ordinating Commissioner (as appropriate) must pay the Provider any sums withheld under GC9.15 within 10 Operational Days of receiving the Provider's agreement to a Remedial Action Plan (or, if earlier, of the withdrawal of the relevant Contract Performance Notice). Unless GC9.22 applies, those sums are to be paid without interest.

### **Implementation and Breach of Remedial Action Plan**

- 9.17 If, following implementation of a Remedial Action Plan, the agreed actions have been completed and the agreed improvements achieved and maintained, it must be noted in the next Review Meeting that the Remedial Action Plan has been completed.
- 9.18 If either the Provider or any Commissioner fails to complete an action required of it, or to deliver or maintain the improvement required, by a Remedial Action Plan in accordance with that Remedial Action Plan, then the Co-ordinating Commissioner or the Provider (as appropriate) may, at its discretion, apply any financial or other sanction agreed in relation to that failure.

### **Exception Report**

- 9.19 If a Party fails to complete an action required of it, or to deliver or maintain the improvement required, by a Remedial Action Plan in accordance with that Remedial Action Plan and does not remedy that failure within 5 Operational Days following receipt of notice requiring it to do so, the Provider or the Co-ordinating Commissioner (as the case may be) may issue an Exception Report:
- 9.19.1 to the relevant Party's chief executive and/or Governing Body; and/or
  - 9.19.2 (if it reasonably believes it is appropriate to do so) to any appropriate Regulatory or Supervisory Body,

in order that each of them may take whatever steps they think appropriate.

### **Withholding of Payment at Exception Report for Breach of Remedial Action Plan**

- 9.20 If the Provider fails to complete an action required of it, or to deliver the improvement required, by a Remedial Action Plan in accordance with that Remedial Action Plan:
- 9.20.1 (if the Remedial Action Plan does not itself provide for a withholding or other financial sanction in relation to that failure) the Co-ordinating Commissioner may, when issuing an Exception Report, instruct the Commissioners to withhold, or itself withhold (on behalf of all Commissioners), in respect of each action not completed or improvement not met, a reasonable and proportionate sum of up to 2% of the Expected Monthly Value or of the Actual Monthly Value, as applicable, from the date of issuing the Exception Report and for each month the Provider's breach continues and/or the required improvement has not been achieved and maintained, subject to a maximum monthly withholding in relation to each Remedial Action Plan of 10% of the Expected Monthly Value or of the Actual Monthly Value, as applicable; and
- 9.20.2 the Commissioners or the Co-ordinating Commissioner (as appropriate) must pay the Provider any sums withheld under GC9.18 or GC9.20.1 within 10 Operational Days following the Co-ordinating Commissioner's confirmation that the breach of the Remedial Action Plan has been rectified and/or the required improvement has been achieved and maintained. Subject to GC9.22, no interest will be payable on those sums.

### **Retention of Sums Withheld for Breach of Remedial Action Plan**

- 9.21 If, 20 Operational Days after an Exception Report has been issued under GC9.19, the Provider remains in breach of a Remedial Action Plan, the Co-ordinating Commissioner may notify the Provider that any sums withheld under GC9.18 or GC9.20.1 are to be retained permanently. If it does so having withheld those sums itself on behalf of all Commissioners, the Co-ordinating Commissioner must distribute the sums withheld between the Commissioners in proportion to their respective shares of the Expected Monthly Value or of the Actual Monthly Value, as applicable, for each month in respect of which those sums were withheld.

### **Unjustified Withholding or Retention of Payment**

- 9.22 If the Commissioners withhold, or the Co-ordinating Commissioner withholds on behalf of all Commissioners, sums under GC9.15, GC9.18 or GC9.20.1 or the Commissioners retain sums under GC9.21, and within 20 Operational Days of the date of that withholding or retention the Provider produces evidence satisfactory to the Co-ordinating Commissioner that the relevant sums were withheld or retained unjustifiably, the Co-ordinating Commissioner or the Commissioners (as appropriate) must pay those sums to the Provider within 10 Operational Days following the date of the Co-ordinating Commissioner's acceptance of that evidence, together with interest for the period for which the sums were withheld or retained. If the Co-ordinating Commissioner does not accept the Provider's evidence the Provider may refer the matter to Dispute Resolution.

### **Retention of Sums Withheld on Expiry or Termination of this Contract**

- 9.23 If the Provider does not agree a Remedial Action Plan:
- 9.23.1 within 6 months following the expiry of the relevant time period set out in GC9.10; or
- 9.23.2 before the Expiry Date or earlier termination of this Contract,
- whichever is the earlier, the Co-ordinating Commissioner may notify the Provider that any sums withheld under GC9.15 are to be retained permanently. If it does so having withheld those sums itself on behalf of all Commissioners, the Co-ordinating Commissioner must distribute the sums withheld between the

Commissioners in proportion to their respective shares of the Expected Monthly Value or of the Actual Monthly Value, as applicable, for each month in respect of which those sums were withheld.

- 9.24 If the Provider does not rectify a breach of a Remedial Action Plan before the Expiry Date or earlier termination of this Contract, the Co-ordinating Commissioner may notify the Provider that any sums withheld under GC9.18 or GC9.20.1 are to be retained permanently. If it does so having withheld those sums itself on behalf of all Commissioners, the Co-ordinating Commissioner must distribute the sums withheld between the Commissioners in proportion to their respective shares of the Expected Monthly Value or of the Actual Monthly Value, as applicable, for each month in respect of which those sums were withheld.

## **GC10 Co-ordinating Commissioner and Representatives**

- 10.1 The Commissioners have appointed the Co-ordinating Commissioner to exercise certain functions in relation to this Contract as set out in this Contract. If different Commissioners are to perform different Co-ordinating Commissioner functions, the allocation of those functions is as set out in Schedule 5C (*Commissioner Roles and Responsibilities*).
- 10.2 In relation to those functions and this Contract generally the Co-ordinating Commissioner will act for itself and as agent for the Commissioners (who are separate principals) but sums payable to the Provider are to be severally attributed to the relevant Commissioner as appropriate.
- 10.3 The Commissioner Representatives and the Provider Representative will be the relevant Party's respective key points of contact for day-to-day communications.

## **GC11 Liability and Indemnity**

- 11.1 Without affecting its liability for breach of any of its obligations under this Contract, each Commissioner will be severally liable to the Provider for, and must indemnify and keep the Provider indemnified against:
- 11.1.1 any loss, damages, costs, expenses, liabilities, claims, actions and/or proceedings (including the cost of legal and/or professional services) whatsoever in respect of:
    - 11.1.1.1 any loss of or damage to property (whether real or personal); and
    - 11.1.1.2 any injury to any person, including injury resulting in death; and
  - 11.1.2 any Losses of the Provider,
- that result from or arise out of the Commissioner's negligence or breach of contract in connection with the performance of this Contract except insofar as that loss, damage or injury has been caused by any act or omission by or on the part of, or in accordance with the instructions of, the Provider, any Sub-Contractor, their Staff or agents. Except as expressly stated in this GC11, the liability of any Commissioner under this GC11.1 will not be excluded or limited in any way.
- 11.2 Without affecting its liability for breach of any of its obligations under this Contract, the Provider will be liable to each Commissioner for, and must indemnify and keep each Commissioner indemnified against:
- 11.2.1 any loss, damages, costs, expenses, liabilities, claims, actions and/or proceedings (including the cost of legal and/or professional services) whatsoever in respect of:
    - 11.2.1.1 any loss of or damage to property (whether real or personal); and
    - 11.2.1.2 any injury to any person, including injury resulting in death; and

11.2.2 any Losses of the Commissioner,

that result from or arise out of the Provider's or any Sub-Contractor's negligence or breach of contract in connection with the performance of this Contract or the provision of the Services (including its use of Equipment or other materials or products, and the actions or omissions of Staff or any Sub-Contractor in the provision of the Services), except insofar as that loss, damage or injury has been caused by any act or omission by or on the part of, or in accordance with the instructions of, the Commissioner, its employees or agents. Except as expressly stated in this GC11, the liability of the Provider under this GC11.2 will not be excluded or limited in any way.

11.3 The Provider must put in place and maintain in force (and procure that its Sub-Contractors put in place and maintain in force) at its (or their) own cost (and not that of any employee) appropriate Indemnity Arrangements in respect of:

11.3.1 employers' liability;

11.3.2 clinical negligence, where the provision or non-provision of any part of the Services (or any other services under this Contract) may result in a clinical negligence claim;

11.3.3 public liability; and

11.3.4 professional negligence.

11.4 Within 5 Operational Days following written request from the Co-ordinating Commissioner, the Provider must provide documentary evidence that Indemnity Arrangements required under GC11.3 are fully maintained and that any premiums on them and/or contributions in respect of them (if any) are fully paid.

11.5 If the proceeds of any Indemnity Arrangements are insufficient to cover the settlement of any claim relating to this Contract the Provider must make good any deficiency.

11.6 The Provider must not take any action or fail to take any reasonable action nor (in so far as it is reasonable and within its power) allow others to take action or fail to take any reasonable action, as a result of which any Indemnity Arrangements put in place in accordance with GC11.3 may be rendered wholly or partly void, voidable, unenforceable, or be suspended or impaired, or which may otherwise render any sum paid out under those Indemnity Arrangements wholly or partly repayable.

11.7 On and following expiry or termination of this Contract, the Provider must (and must use its reasonable endeavours to procure that each of its Sub-Contractors must) procure that any ongoing liability it has or may have in negligence to any Service User or Commissioner arising out of a Service User's care and treatment under this Contract will continue to be the subject of appropriate Indemnity Arrangements for 21 years following termination or expiry of this Contract or (if earlier) until that liability may reasonably be considered to have ceased.

11.8 No later than 3 months prior to the expiry of this Contract, or within 10 Operational Days following the date of service of notice to terminate or of agreement to terminate this Contract (as appropriate), the Provider must provide to the Co-ordinating Commissioner satisfactory evidence in writing of its (and its Sub-Contractors') arrangements to satisfy the requirements of GC11.7. If the Provider fails to do so the Commissioners may themselves procure appropriate Indemnity Arrangements in respect of such ongoing liabilities and the Provider must indemnify and keep the Commissioners indemnified against the costs incurred by them in doing so.

11.9 Unless the Co-ordinating Commissioner and the Provider otherwise agree in writing, the Provider will not require, and must ensure that no other person will require, any Service User to sign any document whatsoever containing any waiver of the Provider's liability (other than a waiver in reasonable terms relating to personal property) to that Service User in relation to the Services, unless required by medical

research procedures approved by the local research ethics committee and the Service User has given consent in accordance with the Provider's Service User consent policy.

- 11.10 Nothing in this Contract will exclude or limit the liability of either Party for death or personal injury caused by negligence or for fraud or fraudulent misrepresentation.
- 11.11 Except where expressly stated to the contrary, an indemnity under this Contract will not apply and there will be no right to claim damages for breach of this Contract, in tort or on any other basis whatsoever, to the extent that any loss claimed by any Party under that indemnity or on that basis is for Indirect Losses.
- 11.12 Each Party will at all times take all reasonable steps to minimise and mitigate any Losses or other matters for which one Party is entitled to be indemnified by or to bring a claim against the other under this Contract.

## **GC12 Assignment and Sub-Contracting**

### **Obligations Relating to the Provider**

- 12.1 The Provider must not novate this Contract nor assign, delegate, sub-contract, transfer, charge or otherwise dispose of all or any of its rights or obligations or duties under this Contract without the prior written approval of the Co-ordinating Commissioner.
- 12.2 The Co-ordinating Commissioner may require, as a condition of the approval of any assignment or novation, the assignee or novatee to provide a guarantee from its parent or other party acceptable to the Co-ordinating Commissioner (acting reasonably), in such form as the Co-ordinating Commissioner may reasonably require.
- 12.3 The approval of any sub-contracting arrangement may:
  - 12.3.1 include approval of the terms of the proposed Sub-Contract (such approval not to be unreasonably withheld or delayed); and
  - 12.3.2 require, as a condition of that approval, that appropriate Indemnity Arrangements are in place in relation to the proposed Sub-Contractor.
- 12.4 The Co-ordinating Commissioner has designated the Sub-Contracts listed in Schedule 5B (*Provider's Material Sub-Contracts*) as Material Sub-Contracts and may (at its discretion but acting reasonably) designate any further sub-contracting arrangement approved by it as a Material Sub-Contract.
- 12.5 The Provider must not:
  - 12.5.1 terminate a Material Sub-Contract; or
  - 12.5.2 make any material changes to the terms of a Material Sub-Contract; or
  - 12.5.3 replace a Material Sub-Contractor under a Material Sub-Contract (and must ensure that a replacement does not otherwise occur), including by delivering all or part of a Service itself; or
  - 12.5.4 enter into a new Material Sub-Contract with an existing Material Sub-Contractor,without the prior written approval of the Co-ordinating Commissioner. Schedule 5B (*Provider's Material Sub-Contracts*) must be updated as appropriate to reflect any designation made, or termination, change or replacement approved, by the Co-ordinating Commissioner.

- 12.6 If the Provider enters into a Sub-Contract it must:
- 12.6.1 ensure that a provision is included in that Sub-Contract which requires payment to be made of all undisputed sums due by the Provider to the Sub-Contractor within a specified period not exceeding 30 days from the receipt of a valid invoice;
  - 12.6.2 not vary the provision referred to in GC12.6.1 above;
  - 12.6.3 at all times comply with the provision referred to in GC12.6.1 above; and
  - 12.6.4 ensure that the Sub-Contractor does not further sub-contract its obligations under the Sub-Contract without the approval of the Co-ordinating Commissioner (such approval not to be unreasonably withheld or delayed).
- 12.7 Sub-contracting any part of this Contract will not relieve the Provider of any of its obligations or duties under this Contract. The Provider will be responsible for the performance of and will be liable to the Commissioners for the acts and/or omissions of all Sub-Contractors as though they were its own.
- 12.8 Any positive obligation or duty on the part of the Provider under this Contract includes an obligation or duty to ensure that all Sub-Contractors comply with that positive obligation or duty. Any negative duty or obligation on the part of the Provider under this Contract includes an obligation or duty to ensure that all Sub-Contractors comply with that negative obligation or duty.
- 12.9 The Provider will remain responsible for the performance and will be liable to the Commissioners for the acts and omissions of any third party to which the Provider assigns or transfers any obligation or duty under this Contract, unless and until:
- 12.9.1 the Provider has obtained the prior written approval of the Co-ordinating Commissioner in accordance with this GC12; and
  - 12.9.2 the terms of that assignment, transfer or disposal have been accepted by the third party so that the third party is liable to the Commissioners for its acts and omissions.

### **Obligations Relating to the Commissioner**

- 12.10 The Commissioners may not transfer or assign all or any of their rights or obligations under this Contract except:
- 12.10.1 to NHS England, or
  - 12.10.2 to an ICB; or
  - 12.10.3 to a Local Authority pursuant to a Partnership Agreement or to arrangements pursuant to regulations made under the Cities and Local Government Devolution Act 2016 or to an order under section 105A of the Local Democracy, Economic Development and Construction Act 2009; or
  - 12.10.4 otherwise with the prior written approval of the Provider.
- 12.11 The Commissioners may (pursuant to their powers under section 65Z5 of the 2006 Act, or otherwise) delegate or sub-contract or (subject to GC12.10 above) otherwise dispose of all or any of their rights or obligations under this Contract without the approval of the Provider.

- 12.12 Sub-contracting any part of the Contract will not relieve the Commissioners of any of their obligations or duties under this Contract. Commissioners will be responsible for the performance of and will be liable to the Provider for the acts and/or omissions of their sub-contractors as though they were their own.

### **Replacement of Sub-Contractors**

- 12.13 If any Suspension Event occurs, or if the Co-ordinating Commissioner is entitled to terminate this Contract in accordance with GC17.10 (*Termination*), wholly or partly in connection with any Sub-Contract or as a result of any act or omission on the part of a Sub-Contractor, the Co-ordinating Commissioner may (without prejudice to any other rights the Co-ordinating Commissioner may have in relation to that event) by serving written notice upon the Provider, require the Provider to remove or replace the relevant Sub-Contractor within:

12.13.1 5 Operational Days; or

12.13.2 whatever period may be reasonably specified by the Co-ordinating Commissioner (taking into account any factors which the Co-ordinating Commissioner considers relevant in its absolute discretion, including the interests of Service Users and the need for the continuity of Services),

and the Provider must remove or replace the relevant Sub-Contractor (as required) within the period specified in that notice.

### **Disclosure of Information**

- 12.14 Notwithstanding GC20 (*Confidential Information of the Parties*), a Commissioner which assigns, transfers, delegates or sub-contracts all or any of its rights or obligations under this Contract to any person may disclose to such person any information in its possession that relates to this Contract or its subject matter, the negotiations relating to it, or the Provider, provided always that this is in accordance with Data Protection Legislation and Data Guidance.

### **Tender Documentation, Publication of Contracts and E-Procurement**

- 12.15 The Provider must comply with Transparency Guidance if and when applicable.

- 12.16 The Provider must comply with e-Procurement Guidance if and when applicable.

### **General Provisions**

- 12.17 This Contract will be binding on and will be to the benefit of the Provider and each Commissioner and their respective successors and permitted transferees and assigns.

### **GC13 Variations**

- 13.1 This Contract may not be amended or varied by the Parties except in accordance with this GC13 and as permitted by regulation 13 and/or 14 of the PSR Regulations.

- 13.2 None of the provisions of this GC13 will permit any Commissioner to decline to propose or to refuse to agree to a modification to this Contract to which the Provider is entitled under regulation 42D of the 2012 Regulations.

- 13.3 The Parties:

13.3.1 may agree to vary any locally-agreed insertion, selection or content of the Particulars; and

- 13.3.2 may not agree to vary any other provision of this Contract (including, for the avoidance of doubt, any part of the Service Conditions or the General Conditions).
- 13.4 Subject to GC13.3, the provisions of this Contract may be varied at any time by a Variation Agreement signed by the Co-ordinating Commissioner on behalf of the Commissioners and by the authorised signatory of the Provider.
- 13.5 If a Party wishes to propose a Variation, the Co-ordinating Commissioner must serve on the Provider, or the Provider must serve on the Co-ordinating Commissioner, (as appropriate) a draft Variation Agreement.
- 13.6 The Proposer must have regard to the impact of the proposed Variation on other Services, and in particular any CRS, and to any designation of the Provider as a Hard To Replace Provider
- 13.7 Any draft Variation Agreement must set out the Variation proposed and the date on which the Proposer requires it to take effect.
- 13.8 The Recipient must respond to a draft Variation Agreement in writing within 10 Operational Days following receipt, setting out whether:
- 13.8.1 it accepts the Variation; and/or
- 13.8.2 it has any concerns with the contents of the draft Variation Agreement.
- 13.9 If necessary, the Parties must meet within 10 Operational Days following the date of the Recipient's response (or as otherwise agreed in writing) to discuss the draft Variation Agreement and the Recipient's response and must use reasonable endeavours to agree the Variation.
- 13.10 As soon as reasonably practicable and in any event within 10 Operational Days following the meeting which takes place pursuant to GC13.9, the Recipient must serve a written notice on the Proposer confirming either:
- 13.10.1 that it accepts the draft Variation Agreement (and whether or not that acceptance is subject to any amendments to the draft Variation Agreement agreed between the Parties in writing); or
- 13.10.2 that it refuses to accept the draft Variation Agreement, and setting out its reasonable grounds for that refusal.
- 13.11 If a proposed Variation would or might have the effect of changing the Expected Annual Contract Value and/or any Price, the Co-ordinating Commissioner and the Provider must seek to agree that change in accordance with the NHS Payment Scheme.
- 13.12 If a proposed Variation would or might have a cost implication for any Commissioner, including additional activity, new treatments, drugs or technologies:
- 13.12.1 (in respect of any Variation proposed by the Provider) the Provider must provide a full and detailed cost and benefit analysis of the proposed Variation; and
- 13.12.2 subject to Law and Guidance, the Co-ordinating Commissioner will have absolute discretion to refuse or withdraw the proposed Variation; and
- 13.12.3 the Commissioners will have no liability to the Provider for any costs arising from the proposed Variation if the Provider implements it other than in accordance with this Contract.
- 13.13 If, the Parties having followed the procedure in GC13.3 to 13.12, the Provider refuses to accept a Service Variation, the Co-ordinating Commissioner may terminate the Service affected by the proposed Service Variation by giving the Provider not less than 3 months' written notice (or 6 months' written notice where

such termination is likely to have a material adverse effect on Staff) following the issue of a notice that the proposed Service Variation is refused or not accepted.

13.14 The right of the Co-ordinating Commissioner to terminate a Service under GC13.13 will not apply if:

13.14.1 the proposed Service Variation is substantially a proposal that a Service should be performed for a different price to that agreed under this Contract and without material change to the delivery of that Service justifying that proposed change in price; or

13.14.2 the proposal does not meet the requirements of a Service Variation.

13.15 If the Parties fail to agree a proposed Variation which is not a Service Variation the Proposer must withdraw the draft Variation Agreement.

## **GC14 Dispute Resolution**

14.1 The provisions of GC14.2 to 14.21 will not apply when any Party in Dispute seeks an injunction relating to a matter arising out of GC20 (*Confidential Information of the Parties*).

### **Escalated Negotiation**

14.2 If any Dispute arises, the Parties in Dispute must first attempt to settle it by any of them making a written offer to negotiate to the others. During the Negotiation Period each of the Parties in Dispute must negotiate and be represented:

14.2.1 for the first 10 Operational Days, by a senior person who where practicable has not had any direct day-to-day involvement in the matter and has authority to settle the Dispute; and

14.2.2 for the last 5 Operational Days, by their chief executive, director, or member of its Governing Body who has authority to settle the Dispute.

14.3 Where practicable, no Party in Dispute should be represented by the same individual under GC14.2.1 and 14.2.2.

### **Mediation**

14.4 If the Parties in Dispute are unable to settle the Dispute by negotiation, they must, within 5 Operational Days after the end of the Negotiation Period, submit the Dispute:

14.4.1 to mediation arranged by NHS England, where the Commissioners are ICBs and/or NHS England and the Provider is an NHS Trust or an NHS Foundation Trust; or

14.4.2 to mediation by CEDR or other independent body or organisation agreed between the Parties and set out in the Particulars, in all other cases.

14.5 Mediations under GC14.4.1 will follow the mediation process arranged by NHS England from time to time.

14.6 Mediations under GC14.4.2 will follow the mediation process of CEDR or other independent body or organisation named in the Particulars.

### **Expert Determination**

14.7 If the Parties in Dispute are unable to settle the Dispute through mediation, the Dispute must be referred to expert determination, by one Party in Dispute giving written notice to that effect to the other Parties in Dispute following closure of the failed mediation. The Expert Determination Notice must include a brief

statement of the issue or issues which it is desired to refer, the expertise required in the expert, and the solution sought.

- 14.8 Where the Commissioners are ICBs and/or NHS England and the Provider is an NHS Trust or NHS Foundation Trust, the Expert will be an independent person with relevant expertise nominated by NHS England and deemed appointed by the Parties in Dispute.
- 14.9 Where GC14.8 does not apply:
- 14.9.1 if the Parties in Dispute have agreed upon the identity of an expert and the expert has confirmed in writing their readiness and willingness to embark upon the expert determination, then that person will be appointed as the Expert; and
- 14.9.2 if the Parties in Dispute have not agreed upon an expert, or where that person has not confirmed their willingness to act, then any Party in Dispute may apply to CEDR for the appointment of an expert. The request must be in writing, accompanied by a copy of the Expert Determination Notice and the appropriate fee and must be copied simultaneously to the other Parties in Dispute. The other Parties in Dispute may make representations to CEDR regarding the expertise required in the expert. The person nominated by CEDR will be appointed as the Expert.
- 14.10 The Party in Dispute serving the Expert Determination Notice must send to the Expert and to the other Parties in Dispute within 5 Operational Days of the appointment of the Expert a statement of its case, including a copy of the Expert Determination Notice, the Contract, details of the circumstances giving rise to the Dispute, the reasons why it is entitled to the solution sought, and the evidence upon which it relies. The statement of case must be confined to the issues raised in the Expert Determination Notice.
- 14.11 The Parties in Dispute not serving the Expert Determination Notice must reply to the Expert and to the other Parties in Dispute within 5 Operational Days of receiving the statement of case, giving details of what is agreed and what is disputed in the statement of case and the reasons why.
- 14.12 The Expert must produce a written decision with reasons within 30 Operational Days of receipt of the statement of case referred to in GC14.11, or any longer period as is agreed by the Parties in Dispute after the Dispute has been referred.
- 14.13 The Expert will have complete discretion as to how to conduct the expert determination, and will establish the procedure and timetable.
- 14.14 The Parties in Dispute must comply with any request or direction of the Expert in relation to the expert determination.
- 14.15 The Expert must decide the matters set out in the Expert Determination Notice, together with any other matters which the Parties in Dispute and the Expert agree are within the scope of the expert determination.
- 14.16 The Parties in Dispute must bear their own costs and expenses incurred in the expert determination and are jointly liable for the costs of the Expert.
- 14.17 The decision of the Expert is final and binding, except in the case of fraud, collusion, bias, manifest error or material breach of instructions on the part of the Expert, in which case a Party will be permitted to apply to Court for an Order that:
- 14.17.1 the Expert reconsider his decision (either all of it or part of it); or
- 14.17.2 the Expert's decision be set aside (either all of it or part of it).
- 14.18 If a Party in Dispute does not abide by the Expert's decision the other Parties in Dispute may apply to Court to enforce it.

- 14.19 All information, whether oral, in writing or otherwise, arising out of or in connection with the expert determination will be inadmissible as evidence in any current or subsequent litigation or other proceedings whatsoever, with the exception of any information which would in any event have been admissible or disclosable in any such proceedings.
- 14.20 The Expert is not liable for anything done or omitted in the discharge or purported discharge of their functions, except in the case of fraud or bad faith, collusion, bias, or material breach of instructions on the part of the Expert.
- 14.21 The Expert is appointed to determine the Dispute or Disputes between the Parties in Dispute and the Expert's decision may not be relied upon by third parties, to whom the Expert will have no duty of care.

## **GC15 Governance, Transaction Records and Audit**

- 15.1 The Provider must comply with regulation 17 of the 2014 Regulations.
- 15.2 The Provider must comply with all reasonable written requests made by any relevant Regulatory or Supervisory Body (or its authorised representatives), a Local Auditor or any Authorised Person for entry to the Provider's Premises and/or the Services Environment and/or the premises of any Sub-Contractor for the purposes of auditing, viewing, observing or inspecting those premises and/or the provision of the Services, and for information relating to the provision of the Services.
- 15.3 Subject to Law, an Authorised Person may enter the Provider's Premises and/or the Services Environment and/or the premises of any Sub-Contractor without notice for the purposes of auditing, viewing, observing or inspecting those premises and/or the provision of the Services, and for information relating to the provision of the Services. During those visits, subject to Law and Good Practice (also taking into consideration the nature of the Services and the effect of the visit on Services Users), the Provider must not restrict access and will give all reasonable assistance and provide all reasonable facilities.
- 15.4 Within 10 Operational Days following the Co-ordinating Commissioner's reasonable request, the Provider must send the Co-ordinating Commissioner the results of any audit, evaluation, inspection, investigation or research in relation to the Services, the Services Environment or services of a similar nature to the Services delivered by the Provider, to which the Provider has access and which it can disclose in accordance with the Law.
- 15.5 Subject to compliance with the Law and Good Practice the Parties must implement and/or respond to all relevant recommendations:
  - 15.5.1 made in any report by a relevant Regulatory or Supervisory Body; or
  - 15.5.2 agreed with the National Audit Office or a Local Auditor following any audit; or
  - 15.5.3 of any appropriate clinical audit or clinical outcome review programme; or
  - 15.5.4 that are otherwise agreed by the Provider and the Co-ordinating Commissioner to be implemented.
- 15.6 The Parties must maintain complete and accurate Transaction Records.
- 15.7 The Provider must, at its own expense, in line with applicable Law and Guidance:
  - 15.7.1 implement an ongoing, proportionate programme of clinical audit of the Services in accordance with Good Practice;

- 15.7.2 implement an ongoing, proportionate audit of the accuracy of its recording and coding of clinical activity relating to the Services; and
  - 15.7.3 provide to the Co-ordinating Commissioner on request the findings of any audits carried out under GC15.7.1 and/or 15.7.2.
- 15.8 The Co-ordinating Commissioner may at any time, having given the Provider not less than 10 Operational Days' notice of its intention to do so, appoint an Auditor to conduct an objective and impartial audit of any aspect of the Services, sums invoiced and/or paid for them, and/or the performance of any of the Provider's obligations under this Contract. Subject to compliance with Data Protection Legislation (including any applicable Service User consent requirements), the Provider must allow the Auditor reasonable access to (and the right to take copies of) the Transaction Records, books of account and other sources of relevant information, and any Confidential Information so disclosed will be treated in accordance with GC20 (*Confidential Information of the Parties*). ### **Data Protection**

- 21.8 The Provider must have in place a communications strategy and implementation plan to ensure that Service Users are provided with, or have made readily available to them, Privacy Notices, and to

disseminate nationally-produced patient information materials. Any failure by the Provider to inform Service Users as required by Data Protection Legislation or Data Guidance about the uses of Personal Data that may take place under this Contract cannot be relied on by the Provider as evidence that such use is unlawful and therefore not contractually required.

- 21.12.1 provide such information in pseudonymised form where possible; and in any event
  - 21.12.2 ensure that there is a legal basis for the sharing of Personal Data.

    - 21.16.3.1 process Personal Data only in accordance with the Provider's instructions as set out in the written agreement, including instructions regarding transfers of Personal Data outside the UK or to an international organisation unless such transfer is required by Law, in which case the Data Processor shall inform the Provider of that requirement before processing takes place, unless this is prohibited by law on the grounds of public interest;

    - 21.16.3.6 assist the Provider in ensuring compliance with the obligations set out at Article 32 to 36 of the UK GDPR and equivalent provisions implemented into Law, taking into account the nature of processing and the information available to the Sub-Contractor;
    - 21.16.3.7 at the choice of the Provider, delete or return all Personal Data to the Provider after the end of the provision of services relating to processing, and delete existing copies unless the Law requires storage of the Personal Data;

- 21.16.3.9 guarantee that it has technical and organisational measures in place that are sufficient to ensure that the processing complies with Data Protection Legislation and ensures that the rights of Data Subject are protected;
- 21.16.3.10 allow rights of audit and inspection in respect of relevant data handling systems to the Provider or to the Co-ordinating Commissioner or to any person authorised by the Provider or by the Co-ordinating Commissioner to act on its behalf; and
- 21.16.3.11 impose on its own Sub-Contractors (in the event the Sub-Contractor further sub-contracts any of its obligations under the Sub-Contract) obligations that are substantially equivalent to the obligations imposed on the Sub-Contractor by this GC21.16.3.
- 21.17 The agreement required by GC21.16 must also set out:
- 21.17.1 the subject matter of the processing;
  - 21.17.2 the duration of the processing;
  - 21.17.3 the nature and purposes of the processing;
  - 21.17.4 the type of personal data processed;
  - 21.17.5 the categories of data subjects; and
  - 21.17.6 the plan for return and destruction of the data once processing is complete unless the Law requires that the data is preserved.

**Freedom of Information and Transparency**

- 21.18 The Provider acknowledges that the Commissioners are subject to the requirements of FOIA and EIR. The Provider must assist and co-operate with each Commissioner to enable it to comply with its disclosure obligations under FOIA and EIR. The Provider agrees:
- 21.18.1 that this Contract and any other recorded information held by the Provider on a Commissioner’s behalf for the purposes of this Contract are subject to the obligations and commitments of the Commissioner under FOIA and EIR;
  - 21.18.2 that the decision on whether any exemption under FOIA or exception under EIR applies to any information is a decision solely for the Commissioner to whom a request for information is addressed;

- 21.18.3 that where the Provider receives a request for information relating to the Services provided under this Contract and the Provider itself is subject to FOIA or EIR, it will liaise with the relevant Commissioner as to the contents of any response before a response to a request is issued and will promptly (and in any event within 2 Operational Days) provide a copy of the request and any response to the relevant Commissioner;
- 21.18.4 that where the Provider receives a request for information and the Provider is not itself subject to FOIA or as applicable EIR, it will not respond to that request (unless directed to do so by the relevant Commissioner to whom the request relates) and will promptly (and in any event within 2 Operational Days) transfer the request to the relevant Commissioner;
- 21.18.5 that any Commissioner, acting in accordance with the codes of practice issued and revised from time to time under both section 45 of FOIA and regulation 16 of EIR, may disclose information concerning the Provider and this Contract either without consulting with the Provider, or following consultation with the Provider and having taken its views into account; and

### **GC22 Intellectual Property**

- 22.1 Except as set out expressly in this Contract no Party will acquire the IPR of any other Party.
- 22.2 The Provider grants the Commissioners a fully paid-up, non-exclusive, perpetual licence to use the Provider Deliverables for the purposes of the exercise of their statutory and contractual functions and obtaining the full benefit of the Services under this Contract.
- 22.3 The Commissioners grant the Provider a fully paid-up, non-exclusive licence:
- 22.3.1 to use the Commissioner Deliverables; and

22.3.2 to use the NHS Identity,

in each case for the sole purpose of providing the Services. The Provider may not grant any sub-licence of the NHS Identity without the express permission of NHS England's NHS Identity team.

22.4 The Provider must co-operate with the Commissioners to enable the Commissioners to understand and adopt Best Practice (including the dissemination of Best Practice to other commissioners or providers of NHS services), and must supply such materials and information in relation to Best Practice as the Commissioners may reasonably request, and (to the extent that any IPR attaches to Best Practice), grants the Commissioners a fully paid-up, non-exclusive, perpetual licence for the Commissioners to use Best Practice IPR for the commissioning of NHS services and to share any Best Practice IPR with other commissioners of NHS services (and other providers of NHS services) to enable those parties to adopt such Best Practice.

## **GC23 NHS Identity, Marketing and Promotion**

23.1 The Provider must comply with NHS Identity Guidelines.

23.2 Goodwill in the Services, to the extent branded as NHS services, will belong separately to both the Secretary of State and the Provider. The Provider may enforce its rights in its own branding even if it includes the NHS Identity. The Provider must provide whatever assistance the Secretary of State may reasonably require to allow the Secretary of State to maintain and enforce his rights in respect of the NHS Identity.

23.3 The Provider must indemnify the Secretary of State and the Commissioners for any Losses suffered in relation of any claim made against the Secretary of State or any Commissioner by virtue of section 2 of the Consumer Protection Act 1987 in respect of the use of any defective product by the Provider or any Staff or Sub-Contractor in the provision of the Services.

## **GC24 Change in Control**

24.1 This GC24 applies to any Provider Change in Control and/or any Material Sub-Contractor Change in Control, but not to a Change in Control of a company which is a Public Company.

24.2 The Provider must:

24.2.1 as soon as possible on, and in any event within 5 Operational Days following, a Provider Change in Control; and/or

24.2.2 immediately on becoming aware of a Material Sub-Contractor Change in Control,

notify the Co-ordinating Commissioner in writing of that Change in Control and submit to the Co-ordinating Commissioner a completed Change in Control Notification.

24.3 If the Provider indicates in the Change in Control Notification an intention or proposal to make any consequential changes to its operations then, to the extent that those changes require a change to the terms of this Contract in order to be effective, they will only be effective when a Variation is made in accordance with GC13 (*Variations*). The Co-ordinating Commissioner will not and will not be deemed by a failure to respond or comment on the Change in Control Notification to have agreed to or otherwise to have waived its rights under to GC13 (*Variations*) in respect of that intended or proposed change.

24.4 The Provider must specify in the Change in Control Notification any intention or proposal to make a consequential change to its operations which would or would be likely to have an adverse effect on the Provider's ability to provide the Services in accordance with this Contract. If the Provider does not do so

it will not be entitled to propose a Variation in respect of that for a period of 6 months following the date of that Change in Control Notification, unless the Co-ordinating Commissioner agrees otherwise.

24.5 If (and subject always to GC24.3) the Provider does not specify in the Change in Control Notification an intention or proposal to sell or otherwise dispose of any legal or beneficial interest in the Provider's Premises as a result of or in connection with the Change in Control then, unless the Co-ordinating Commissioner provides its written consent to the relevant action, the Provider must:

24.5.1 ensure that there is no such sale or other disposal which would or would be likely to have an adverse effect on the Provider's ability to provide the Services in accordance with this Contract; and

24.5.2 continue providing the Services from the Provider's Premises,

in each case for at least 12 months following the date of that Change in Control Notification. The provisions of this GC24.5 will not apply to an assignment by way of security or the grant of any other similar rights by the Provider consequent upon a financing or re-financing of the transaction resulting in Change of Control.

24.6 The Provider must supply (and must use its reasonable endeavours to procure that the relevant Material Sub-Contractor supplies) to the Co-ordinating Commissioner, whatever further information relating to the Change in Control the Co-ordinating Commissioner may, within 20 Operational Days after receiving the Change in Control Notification, reasonably request.

24.7 The Provider must use its reasonable endeavours to ensure that the terms of its contract with any Material Sub-Contractor include a provision obliging the Material Sub-Contractor to inform the Provider in writing on, and in any event within 5 Operational Days following, a Material Sub-Contractor Change in Control in respect of that Material Sub-Contractor.

24.8 If:

24.8.1 there is a Material Sub-Contractor Change in Control; and

24.8.2 following consideration of the information provided to the Co-ordinating Commissioner in the Change in Control Notification or under GC24.6, the Co-ordinating Commissioner reasonably concludes that, as a result of that Material Sub-Contractor Change in Control, there is (or is likely to be) an adverse effect on the ability of the Provider and/or the Material Sub-Contractor to provide Services in accordance with this Contract (and, in reaching that conclusion, the Co-ordinating Commissioner may consider any factor, in its absolute discretion, that it considers relevant to the provision of Services),

then:

24.8.3 the Co-ordinating Commissioner may, by serving a written notice upon the Provider, require the Provider to replace the relevant Material Sub-Contractor within 10 Operational Days (or other period reasonably specified by the Co-ordinating Commissioner taking into account the interests of Service Users and the need for the continuity of Services); and

24.8.4 the Provider must replace the relevant Material Sub-Contractor within the period specified under GC24.8.3; and

24.8.5 for the avoidance of doubt, the provisions of GC12 (*Assignment and Sub-Contracting*) will apply in relation to the replacement Material Sub-Contractor and, on the granting of the approval referred to in GC12 (*Assignment and Sub-Contracting*), the provisions of Schedule 5B (*Provider's Material Sub-Contracts*) will be amended accordingly.

- 24.9 Notwithstanding any other provision of this Contract:
- 24.9.1 a Restricted Person must not hold, and the Provider must not permit a Restricted Person to hold, at any time 5% or more of the total value of any Security in the Provider or in the Provider's Holding Company or any of the Provider's subsidiaries (as defined in the Companies Act 2006); and
  - 24.9.2 a Restricted Person must not hold, and the Provider must not permit (and must procure that a Material Sub-Contractor must not at any time permit) a Restricted Person to hold, at any time 5% or more of the total value of any Security in a Material Sub-Contractor or in any Holding Company or any of the subsidiaries (as defined in the Companies Act 2006) of a Material Sub-Contractor.
- 24.10 If the Provider breaches GC24.9.2, the Co-ordinating Commissioner may by serving written notice upon the Provider, require the Provider to replace the relevant Material Sub-Contractor within:
- 24.10.1 5 Operational Days; or
  - 24.10.2 whatever period may be reasonably specified by the Co-ordinating Commissioner (taking into account any factors which the Co-ordinating Commissioner considers relevant in its absolute discretion, including the interests of Service Users and the need for the continuity of Services),
- and the Provider must replace the relevant Material Sub-Contractor within the period specified in that notice.
- 24.11 Nothing in this GC24 will prevent or restrict the Provider from discussing with the Co-ordinating Commissioner a proposed Change in Control before it occurs. In those circumstances, all and any information provided to or received by the Co-ordinating Commissioner in relation to that proposed Change in Control will be Confidential Information for the purposes of GC20 (*Confidential Information of the Parties*).
- 24.12 Subject to the Law and to the extent reasonable the Parties must co-operate in any public announcements arising out of a Change in Control.
