- 5. In this Schedule:

COSOP means the Cabinet Office Statement of Practice Staff Transfers in the Public Sector January 2000, available at https://www.gov.uk/government/publications/staff-transfers-in-the-public-sector

TUPE means the Transfer of Undertakings (Protection of Employment) Regulations 2006

^{*}Note: it may in certain circumstances be appropriate to omit the text set out in paragraphs 1-5 above or to amend it to suit the circumstances - in particular, if the prospect of employees transferring either at the outset or on termination/expiry is extremely remote because their work in connection with the subject matter of the Contract will represent only a minor proportion of their workload. However, it is recommended that legal advice is taken before deleting or amending these provisions.
