

Accounts and reporting timetable for 2025/26

Organisations should note the following definitions:

- **Receivable organisation** - this is the organisation sending the invoice/is carrying the trade receivable/is receiving the income i.e. the supplier or provider
- **Payable organisation** – this is the organisation receiving the invoice/carrying the trade payable/recording expenditure i.e. the purchaser or commissioner.

We have colour-coded rows in this table as follows:

White row	Agreement of balances process
Yellow row	Monthly monitoring submission
Green row	TAC / accounts / agreement of balances submission to NHS England
Red row	Other processes
Grey row	Form release by NHS England

Friday 5 th December 2025	Provider Accounts team issues dummy month 9 TAC standalone file To help your preparations for month 9, a dummy standalone file containing the Trust Accounts Consolidation (TAC) schedules is provided in advance of the full PFR form later in the December. This is for information only and cannot be submitted.
Monday 22 nd December 2025	NHS England issues month 9 PFR form (including TAC schedules) Month 9 forms will be issued to providers together with completion instructions. The form will be issued via the portal inbox and accompanied by an email containing completion instructions.
Wednesday 31 st December 2025	Final date for sending December 2025 dated invoices (email where possible). These invoices relate to activity and services (including lease invoices) up to and including November and can include December activity and services.
Tuesday 6 th January 2026	Final date for receivable organisations to e-mail payable organisations a receivables statement detailing outstanding invoices as at 31 st December 2025. Please note: <ul style="list-style-type: none"> • Only one statement must be sent to each payable organisation. • A statement must be sent to each payable organisation where the balance is more than £2,500. • Agreement is not required where the total balance is below £300,000. Refer to DHSC agreement of balances guidance for further details. Month 9 guidance will be available in the 'Additional documents' section on your provider portal by mid-December.
Wednesday 7 th January to Friday 9 th January 2026	If a receivables statement has not been received the payable organisation is to inform the receivable organisation. In such cases, the receivable organisation must email a statement immediately.

Date (by end of day unless stated)	Detail
Monday 5 th January 2026	Submit NHS Pensions requests for senior managers' remuneration ('Greenbury'). Please note that all requests for disclosure information must be received by NHS Pensions within their timeframe to enable the necessary information to be provided in time for the submission of draft accounts. NHS Pensions is unable to guarantee that requests or queries received after the deadline will be dealt with in time for draft accounts submissions.
Thursday 15 th January 2026	Final date for agreement of outstanding receivables/payables (including any invoices for in-year lease payments) dated up to 31 st December 2025 and above £300,000.
Monday 19 th January 2026	Final date for receivable organisations to e-mail payable organisations an income statement detailing income received to 31 st December 2025. Please note: <ul style="list-style-type: none"> • The statement will include income that has been invoiced and income received without an invoice. • Only one statement must be sent to each payable organisation. • A statement must be sent to each payable organisation where the balance is more than £10,000. • Agreement is not required where the total balance is below £300,000.
Tuesday 20 th – Thursday 22 nd January 2026	If an income statement has not been received, the payable organisation is to inform the receivable organisation. In such cases, the receivable organisation must email a statement immediately.
Friday 23 rd January 2026 (noon)	NHS providers submit month 9 Provider Finance Return (PFR) to NHS England (incorporating Trust Accounts Consolidation (TAC) schedules), with first submission of month 9 receivables and payables AoB data. These TACs should be prepared using the agreed receivables/payables position, but the provider's own information on income and expenditure. This submission will be used for consolidating the TACs, and for receivables and payables AoB information . The income and expenditure columns in the WGA tabs (TAC61-TAC64) will not be used in this submission, but the provider should ensure there are no validation errors in the form ¹ . Template to be uploaded to the provider portal outbox. Ensure that 'Month 9 main submission' is selected on the cover of the PFR file before uploading. Any financial commentary or other documents that accompany the template should be uploaded to the provider portal outbox with activity type 'In Year Returns', template type 'Finance Commentary' and period 'M09'.
Friday 30 th January 2026	Provider Accounts team distributes DHSC group mismatch schedules to NHS providers (receivables and payables only)
Wednesday 4 th February 2026	Final date for agreement of income and expenditure above £300,000 in respect of invoices dated up to 31 st December 2025.

¹ The income and expenditure columns on the WGA sheets (TAC61-TAC64) are not used by the provider accounts team in this first submission. However, the counterparty columns on TAC06-TAC11 are used for group elimination adjustments and must be fully completed. It is therefore a matter for the trust whether the income and expenditure columns on TAC61-TAC64 are completed with the provider's own information, or balancing figures are entered to clear the I&E WGA validations. The month 9 TAC completion instructions contain guidance on the form, including which specific notes and tables in the accounts tabs can be omitted at month 9.
